

WEEK 5 Prayer #2

31 Days to Reverse the Negative Cycle

For the Individuals On Your List:

Father God, in the precious name of Jesus Christ, I come before You with a humbled heart, thanking You for the work that You've accomplished in Your son for us; that we might be whole and acceptable in Your sight. Thank You for forgiving my sins and clothing me in righteousness. I stand in love and prayer for

1.) _____ (insert the first person's name)

2.) _____ (insert the second person's name)

3.) _____ (insert the third person's name)

4.) _____ (insert the fourth person's name)

and I thank You for blessing them with all that they need to grow and mature spiritually. Thank You for a special anointing that destroys the bonds of desperation, jealousy, obsession, loneliness, and all the other negatives that keep them from being their absolute best for You. Help them to be strengthened in their weak places, and confident in their ability to overcome any adversity through Christ Jesus.

Please bless them with financial blessings, for we know from 3 John 1:2 that You desire their prosperity, not only in finances, but every aspect of life. Thank You for teaching them to use their resources wisely. Show them through Your mercy, Dear Father, the benefit of tithing and giving, and then help them to be committed to it so that they can witness firsthand the abundance that it brings. Thank You for peace and promotion in their workplaces, manifestation of their ambitions, and for their fortitude, courage, and stamina to shine as beckons of Your light by presenting the best that they can be every day.

For those who are dealing with broken relationships, in the name of Jesus Christ, bless them with the strength and emotional healing to endure and grow amidst the hurt and pain of a broken heart. Allow them to see clearer the path that is before them, and to know that our power, happiness, and success cannot be dependent upon the love we receive from another human being, but upon the love we give. Help them to give it freely, unconditionally, and wisely.

For those individuals who are incarcerated, thank You for helping them to be rehabilitated, healed, and made whole through Jesus Christ, our Lord. Bless them with Your tremendous peace and understanding, that they might receive salvation, be clothed with humbled hearts and willing spirits, and be reunited with their loved ones.

WEEK 5 Prayer #2

31 Days to Reverse the Negative Cycle

For those with family members who are unsaved or new believers, please bless their loved ones to cross the path of a witness that You have ordained to speak life into their souls, that they might be drawn to the love of Christ and become born again and/or strengthened in their commitment to the gospel.

And for all those who are seeking marital partnership from a brother or sister in Christ, thank You that they are strengthened in their resolve to wait and be patient for someone worthy. Help them to cultivate within themselves the very character, qualities, and attributes they desire from a potential partner. Teach them to be wise stewards of the gift of procreation, and to abstain from sexual immorality. Present them with someone who is wise, compassionate, supportive, loving, and compatible with who they've groomed themselves to be.

Please continue to bless and protect these United States of America, and to stretch forth Your hand of mercy, and cover our men and women in the armed forces with Your arms of protection. We thank You for comforting the hearts of all those who have experienced tragedy or loss as result of this war, and that everything that's occurring in our time right now is doing so in a way that prepares the hearts of men and women for the coming of Jesus Christ. We ask that Your will be done in the upcoming elections, that as we stand in the voting booths, You'll inspire our hearts to vote in a way that pleases You and serves Your purpose in the earth.

Thank You for protecting the fruit of our labor, such as our homes and families, and for allowing our finances to come together in such a way that we are bountifully blessed and have our needs met according to Your will. We pray for wholeness in every facet of our existence—mental, emotional, physical, and spiritual, and that You will extend to us a spiritual manifestation that will cause us to be elevated in our walk with You.

We pray this prayer in the precious and powerful name of our Lord and Savior, Jesus Christ. Amen.
